

Lesson 5

Pirate Jack's Treasure

Young Pirate Jack,
With his pet parrot Scratch,
Went looking for gold,
Near the old pumpkin patch.

Thorns scratched his legs,
And he thought he'd turn back,
When he saw a gold chest,
On the edge of the track.

He opened the latch,
And what was it he saw?
Jewellery and watches,
And gold coins galore!

patch

Unit Seven: Lesson 5

Practice sentences

Does the prickly patch of plants make you itchy?

My dog Mitch can fetch a stick and catch it, too.

The next batch of chicks hatched.
